

CA - PROJECT BID REQUEST

May 22, 2025

Ohno Construction invites your firm to submit a bid for the following project:

Spaulding Field Renovation UCLA

DESCRIPTION OF WORK: The work consists of the renovation of Spaulding Field. Located immediately east of the Wasserman Football Center, Spaulding Field currently consists of two artificial turf, 60-yard practice fields oriented west to east. With UCLA's move to the Big Ten Conference, the football team will play on opposing teams' fields with natural grass, creating a need for a natural grass practice field. The project will renovate approximately 160,000 square feet of practice space to create a natural grass, full 100-yard field oriented north to south and two smaller artificial turf practice fields oriented west to east. Contractor shall remove the existing turf, provide a new irrigation and drainage system for the grass field, and provide artificial and natural grass on the fields.

Alternate #1 : Provide new posts and netting system to be placed behind the existing, mobile field goal posts per Sheet F-110 and Detail 1 on Sheet F-230. Provide deferred submittal for concrete base, posts, and netting. If this Alternate is accepted, the Contract Time will not change.

Alternate #2 : In lieu of completing the Work within 110 days, complete the Work within 90 days utilizing Alternate 2 work hours as specified in Section 01 14 00. If this Alternate is accepted, the Contract Time will be reduced by 20 days.

Location: Los Angeles, CA 90095
