MEP Prequalification in compliance with Public Contract Code section 20111.6 is required for this Project. Therefore, mechanical, electrical, and plumbing ("MEP") subcontractors (as defined by Public Contract Code section 20111.6(k)) must be prequalified by the District prior to the LLB Entity submitting its Proposal. MEP subcontractors subject to these requirements are those with any of the following license classifications: C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43 and C-46. MEP Subcontractors are encouraged to complete the prequalification process as soon as possible to expedite evaluation. The prequalification information is located on the Elk Grove Unified School Districts website. http://www.egusd.net/about/divisions-departments/business-services-and-facilities/facilities-and-planning/

Plans and Specs can be reviewed on our Website at www.ctbrayton.com under "Bidding".

All Bidders must review insurance requirements and include any additional costs in their cost proposals.

PLEASE INCLUDE YOUR DIR REGISTRATION NUMBER AND CONFIRM YOU CAN MEET AB-566 / SB-693 SKILLED AND TRAINED WORKFORCE REQUIREMENTS WHEN SUBMITTING BID.

<u>DIR Registration requirements for all Public Works projects (SB854).</u> The requirement to only use registered contractors and subcontractors on public works projects applies to all projects awarded on or after April 1, 2015.

- All sub-tier subcontractors must be DIR registered contractors at all times during performance of the Work; and
- b. Prospective subcontractors may only solicit sub-bids from and contract lower-tier subcontractors who are DIR registered contractors.

AB-566 / SB-693 Skilled and Trained Workforce Requirements:

All subcontractors of any tier must comply with the requirements set forth in Education Code section 17407.5, including providing an enforceable commitment that all Subcontractors of any tier will use a "Skilled and Trained Workforce" as defined in Public Contract Code 2601(d). All Subcontractors are to carefully review all requirements set forth in Public Contract Code 2600-2603 before bidding on the project.

Subcontracts will be awarded by the "Best Value Subcontractor Selection" process.

All responsive bidders will be scored according to the following format.

<u>Best Value Subcontractor Selection:</u> The following items will be graded on a point basis as indicated. Higher scores indicate a higher level of compliance in the opinion of the scorer. One scorer will be chosen to represent the Owner, Architect, and C.T. Brayton & Sons, Inc. The Subcontractor with the highest score will be considered the 'Best Value' and awarded a Subcontract accordingly.

•	15 Points	Price
•	10 Points	Similar Projects (Includes experience with Architect, Owner, GC)
•	8 Points	Demonstrated ability to meet the Insurance Requirement (COI) and Safety
•	7 Points	Bonding Capacity
•	5 Points	Local Business Participation
•	5 Points	Manpower / Capacity to perform / "Skilled and Trained" workforce compliance

50 Points Maximum Possible Score per Scorer.

All work performed on this project which falls under the recognized jurisdiction of the Carpenter's Master Agreement for Northern California shall be performed by Union Carpenters.

This project is Prevailing Wage. Seeking DVBE Subcontractor/Supplier Participation.

All subcontractors must be bondable. Premiums will be paid by C.T. Brayton & Sons, Inc.

SEND TO YOUR INSURANCE BROKER OR CARRIER

Please furnish C. T. Brayton & Sons, Inc. (CTB) with the following:

ACORD Certificate of Liability Insurance, sample attached.

Thirty (30) days Notice of Cancellation Endorsement on all insurance policies.

Workers' Compensation and Employer's Liability

Separate Certificates of Liability Insurance for Workers' Compensation and Employer's Liability insurance including Waiver of Subrogation Endorsement in favor of CTB and the contract owner.

Longshore & Harbor Workers' Compensation Act and Jones Act coverage on any maritime exposure, if applicable.

Commercial General Liability

Subcontractor and its' subcontractors shall carry an Occurrence form Commercial General Liability policy (Insurance Services Office, Form CG 00 01 or equivalent) with the minimum limits of liability as follows:

\$1,000,000 Each Occurrence (Combined single limit for bodily injury and property damage)

\$1,000,000 Personal and advertising injury liability

\$2,000,000 Aggregate for products-completed operations and such coverage shall be maintained (until all statutes of limitations or repose, whichever is longer, for the subcontractor's work has lapsed) inclusive of additional insured provisions, in all future renewals of the coverage.

\$2,000,000 General Aggregate. The General Aggregate limit of liability shall apply separately to this project. If the General Aggregate limit of liability does not apply separately to this project, then the minimum General Aggregate shall be \$5,000,000.

Additional Insured Endorsement and primary and non-contributory insurance language using Form CG 2010 (11/85) version, or the combination of CG 2010 1001 and CG 2037 1001 or an equivalent form(s), naming C.T. Brayton & Sons, Inc. and their officers, agents and employees and the Owner(s) and their officers, agents, employees and Architects as additional insureds. Coverage afforded to the additional insured(s) shall be at least as broad as the coverage afforded the first named insured. See attached sample additional insured endorsement. ISO Form CG 2033 is not an equivalent form and thus not acceptable.

General Liability Coverage shall not contain any provision or definition which would exclude coverage for claims brought by employees of any subcontractor or lower tier subcontractors.

Mold, Mildew or Fungus. If excluded under the Commercial General Liability, subcontractor must assure CTB that this exposure is covered within other policies of insurance and provide evidence of that policy.

Automobile Liability

\$1,000,000 Combined Single Limit including coverage for all owned, hired and non-owned vehicles.

If hazardous or regulated substances or hazardous or regulated wastes are involved in the Work, the limits of liability shall be \$5,000,000 combined single limit and the policy shall include Endorsement MCS-90. Said insurance shall name CTB, the contract owner and their respective officers, directors, and employees as additional insureds.

Umbrella or Excess Liability

If an Umbrella or Excess Liability policy is used to meet the limits of liability required by this agreement or are carried by subcontractor, said coverage shall be following form of the underlying primary policy and shall meet the additional insured and primary insurance requirements identified above.

To the extent subcontractor maintains insurance with limits greater than these minimum required amounts stated herein, such higher limits shall be the required minimum limits and shall be available to the additional insureds with respect to any of subcontractor's liability obligations hereunder.

Aircraft Insurance

If the Subcontractor or its' Subcontractors use any owned, leased, chartered or hired aircraft of any type in the performance of this contract, they shall maintain aircraft liability insurance in an amount of not less than \$5,000,000 per occurrence including Passenger Liability and coverage for damage to cargo (on hook) and shall name CTB and Owner(s) and their respective officers, directors, and employees as additional insureds.

Professional Liability Insurance

Where the Work includes professional engineering, architectural, design-build, or design assist services a professional liability insurance policy covering errors and omissions arising out of professional acts, including contractual liability coverage, and shall be maintained by Subcontractor/Subconsultant or their Sub-subcontractors/Subsubconsultants with minimum limits of liability of \$1,000,000 per event of loss. Such policy shall include Extended Reporting coverage for a minimum of 3 years or time to satisfy all required statutory periods, whichever is longer, applicable to design services that are part of this Agreement. Evidence of coverage shall indicate a retroactive date or prior acts date not later than the date such services began.

Hazardous Materials and Pollution Liability

If Subcontractor or their Subcontractors are either required to perform remediation of hazardous materials (such as asbestos containing materials, contaminated soil, PCB's, lead paint, etc.), or if their operations create an exposure to hazardous materials or substances, they must, in addition to the above requirements, maintain a "Contractor's Pollution Liability" policy with minimum limits not less than \$1,000,000 per claim and not less than \$2,000,000 annual aggregate for bodily injury, property damage, environmental damage and claim expenses arising at or emanating from the project that is subject of this Agreement. Such policy shall name CTB, Owner(s), and their respective officers, directors, and employees as additional insured. If on a claims-made basis a minimum of 10 years completed operations and extended reporting must be maintained.

Property/Builder's Risk Insurance

Subcontractor shall insure, through an installation floater form of policy, his work and materials from damage or loss until final acceptance by Owner. Such insurance shall include the Subcontractors' work stored off the site or in transit. In addition Subcontractor shall procure and maintain at its own expense property and equipment insurance for loss or damage to their own tools and equipment. Such insurance shall also apply to any of Owners or CTB property in the care, custody or control of subcontractor and include Owner and CTB, their agents, directors, officers, and employees as additional insured, and waive subrogation as against Owner and CTB and their agents, directors, officers, and employees. All deductibles shall be the responsibility of Subcontractor.

All Policies shall contain a provision requiring the insurance carriers to waive their rights of subrogation against the Owner, CTB and all other indemnities named in the contract.

By requiring insurance herein, CTB does not represent that coverage and limits will necessarily be adequate to protect Subcontractor and such limits shall not be deemed as a limitation of Subcontractor's liability under the indemnities granted to CTB in this Subcontract Agreement.

Neither the forbearance, nor omission by CTB to require proof of all provisions of this insurance from Subcontractor will be deemed as a waiver of CTB's rights or Subcontractor's obligations regarding the provisions of insurance in this Subcontract Agreement.

Subcontractor shall provide a Certificate of Liability Insurance along with additional insured endorsement(s) for a minimum of **two (2) years** following project completion and subsequently will be provided upon written request of CTB.

Note: Payments will be withheld until all of the above requirements are met.
