

## **BID SCHEDULE**

A Bid Schedule is a listing of the elements, systems items, or other subdivisions of the work, establishing a value for each, the total of which equals the Total Bid.

Bidders must complete the Bid Schedule making sure that calculations are accurate. All rates should be “fully loaded”, i.e., they must include fees and charges such as overhead, general and administrative expenses, per diem or subsistence charges, and profit. The Contractor should exercise its best judgment as to what equipment (if applicable) is best suited for the job expected.

In order to compare bids, the bidder shall not change any bid quantities as shown on the Bid Schedule.

The County reserves the right to delete any item in the Bid Schedule without affecting the unit cost and to select any combination of the following costs for the actual construction contract.

Tasks and quantities are to be accomplished with no increase in price.

There may be delays due to wind conditions or wet weather prohibiting access to the site(s). There shall be no monetary compensation for these delays.

The Contractor shall protect the work area from washouts and, if the work area is affected, Contractor will replace the work at its own expense.

In the case of discrepancy between the written bid set forth and the numerical bid set forth, the written bid shall prevail. In the case of a discrepancy between the written bid or numerical bid set forth on the bid proposal, and the numerical bid set forth in the ePro system, the information on the bid proposal shall prevail.

### **UNIT PRICE**

The bidder shall set forth for each unit basis item of work a unit price and a total for the item, and for each lump sum item a total of the item, all in clearly legible figures in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the “Total” column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

In all events, with respect to each unit basis item of work, the actual compensation due the successful bidder shall be the unit price multiplied by the actual number of such units performed on the project by Contractor and approved by the Solid Waste Management Division.

In case of discrepancy between the unit price and the total set forth for a unit basis item, the unit price shall prevail; however, if the amount set forth as a unit price is ambiguous, unintelligible or uncertain for any cause, or is omitted, then the amount set forth in the “Total” column for the item shall prevail and shall be divided by the estimated quantity of the item and the price thus obtained shall be the unit price.

In case of a discrepancy between the bid set forth on the bid schedule and the numerical bid set forth in ePro system, the information on the bid schedule shall prevail.

**Mid-Valley Sanitary Landfill  
NORTH SCALEHOUSE IMPROVEMENTS**

<b>Item No.</b>	<b>Description</b>	<b>QTY</b>	<b>Unit</b>	<b>Cost</b>	<b>Total</b>
1	Mobilization/Demobilization (Shall not exceed ten (10) Percent of the total bid for the Project.	1	LS		
2	Construction Support Tasks	1	LS		
3	Survey	1	LS		
4	Record Drawings	1	LS		
5	Clearing, Grubbing, and Demolition	1	LS		
6	Removals and Relocations	1	LS		
7	Relocate Existing LFG Piping (deleteable item)	1	LS		
8	Remove Interfering Portion of Existing Downdrain (deleteable item)	1	LS		
9	Refuse Removal and Reconsolidation (deleteable item)	2,000	CY		
10	Excavation	400	CY		
11	Sawcut and Join to Existing AC Pavement per 4/C-501	1,420	LF		
12	AC Pavement per 1/C-501	26,000	SF		
13	PCC Pavement / Sidewalk per 2/C-501	1,465	SF		
14	PCC Ribbon Gutter per 6/C-501	1,020	LF		
15	18" Thick Class 1 Riprap Pad per 3/C-501	16	SF		
16	AC Pavement Thickened Edge per 5/C-501	465	LF		
17	ADA Access Striping	1	LS		
18	Prefabricated Scalehouse per Sheet C-201	1	LS		
19	Scalehouse Foundation per 2/S-100	1	LS		
20	Building Protection System per 1/C-502	1	LS		
21	Bollard per 7/C-501	3	EA		
22	Concrete Curb A1-6 per SSPWC STD Plan 120-3	25	LF		
23	AC Dike per 5/C-501	585	LF		
24	Trenching per Sheet E-201	150	LF		
25	Conduit and Wiring per Sheet E-201	1	LS		
26	Panelboard - 240/120V, 200A, 1Ø,	1	EA		
27	Panelboard - 240/120V, 100A, 1Ø, 3W	1	EA		
28	Grounding System	1	LS		
29	Lighting, Switches, and Receptacles	1	LS		

<b>TOTAL BID</b>	<b>\$</b>
------------------	-----------

SWMD reserves the right to delete any specific item on the bid schedule in its entirety. Should SWMD elect not to proceed with a specified item of work, it will be deleted from the contract. The Contractor shall have no claim for compensation, or loss of profit, as a result of the deletion or reduction in quantities.

The Bid Schedule shown above does not constitute agreed-upon costs for the items described. The purpose of this cost breakdown is to provide SWMD with cost allocations for comparison and budgeting purposes only. Final cost allocations for each individual item for the project's schedule of values and progress payments will be established by the Construction Manager in negotiation with the Contractor.

THE AWARD OF THIS CONTRACT WILL BE BASED ON THE LOWEST RESPONSIBLE BID TOTAL.
