Psomas requests qualifications from CUCP certified DBE firms interested in providing qualified personnel and services related to NAICS codes 541310, 541330, and 237310. The services will include Roadway Construction Inspection and Office Engineering, Electrical Construction Inspection, Landscape Architectural Construction Inspection, Construction Claims Support, Construction Scheduling/CPM, Construction Materials Sampling and Testing, and Construction Stormwater Implementation. A detailed scope of work can be obtained by downloading the solicitation at [Event Details \(ca.gov\)](#). Firms interested in responding shall submit a letter of interest stating proposed services, proof of current DBE certification, a firm profile, qualified personnel resumes, and a description of relevant experience including recent projects for which services have been provided. Submit information to Psomas, attention Johnna Beeson at johnna.beeson@psomas.com or 401 B St., Ste. 1600, San Diego, CA 92101. Questions can be directed to Johnna Beeson or Antoinette Sanchez at Antoinette.sanchez@psomas.com. Interested parties must respond no later than **Friday, June 14, 2024**. This RFQ shall not obligate Psomas to either contract with, or reimburse costs to, respond hereto. As an Equal Opportunity Establishment, Psomas will consider all qualified consultants without regard to race, color, religion, sex, or national origin. Upon request, Psomas will assist in providing information regarding the consultant’s procurement of bonds, lines of credit, equipment, and/or insurance.

Subconsultants will be required to enter into a standard contract. No modifications to the contract are permitted. All subcontractors must be able to furnish a copy of current registration with the State of California, Department of Industrial Relations if the firm is subject to prevailing wage requirements.
