

Metro Link Union Station (LinkUS) Phase A

CMGC Project, RFP PS120069

Bid Due Date: October 15, 2024

Skanska is soliciting in good faith all **service consultants**, as well as Metro/DGS Certified Small Business (**SB**) Micro Small Business (**MB**), Disabled Veteran Enterprise (**DVBE**) and race-neutral Disadvantaged Business Enterprise (**DBE**) service consultant firms for **phase 1 preconstruction** related to the scopes listed for the Link Union Station (LinkUS) project, Construction Manager/ General Contractor (CMGC) Project.

The Project will transform how the regional rail system operates in Southern California by converting Los Angeles Union Station ("LAUS") from a stub-end station to a run-through station. The Project will include construction of new run-through tracks over the US-101 freeway connecting to the mainline tracks on the West Bank of the Los Angeles River.

Project Documents can be accessed and download online at BuildingConnected:
