

## SECTION 00080

### ADVERTISEMENT FOR BIDS

Sealed Bids for construction of the Elliott Road Mains Replacement Project addressed to ATTN: Georgeanna Borrayo, Paradise Irrigation District, 6332 Clark Road, Paradise CA, 95969 will be received until 1:00 p.m., local time, on **Wednesday, February 5, 2025**.

Bids will be publicly opened, examined, and declared by Paradise Irrigation District (OWNER) on said day and hour. Any Bids received after the specified time and date will not be considered.

This is a public works project located throughout Paradise, CA in the Paradise Irrigation District's service area. The Project contemplated consists of the following major components:

- Encroachment permit with the Town of Paradise
- Traffic Control
- Sitework including clearing, and grubbing
- Excavation, trenching, sheeting, shoring, and bracing as required by Section 6707 of the California Labor Code.
- Installation of approximately 255 feet of 6" C900 potable water main, 35 feet of 8" C900 potable water main, 4,570 feet of 12" C900 potable water main, and all corresponding tie-ins.
- Abandonment of approximately 475 feet of 6" water main by cutting and plugging.
- Abandonment of approximately 4,655 feet of existing 8" and 12" water main by sand blowing
- Installation of inline valves, air release valves, and blow off valves as required
- Reinstallation of seven (7) existing 6-inch hydrants
- Demolition of piping, valves, and hydrants as required
- Installation or reconnection of approximately 58 service laterals ranging in diameter from 1 to 2 inches
- Installation or resetting of meter boxes, and angle stop bullet locks and or brass caps for services as outlined in the project documents.
- Surface restoration for asphalt roads, concrete sidewalks, curbs, driveways, gravel areas, shoulders, drainage ditches, landscaped areas, and unpaved surfaces.
- Public notification of water outages to affected addresses
  - Two weeks in advance of planned work in the area
  - 48 hours in advance of the interruption to service
  - Renotification for rescheduled work

The engineer's opinion of probable construction cost for this project is \$3,270,960. All Work shall be substantially complete in **45** working days. All work shall be completed within **60** working days from the date established in the Notice to Proceed. Refer to Section 01130, Special Project Constraints in the Technical Specifications for project constraints.

ELLIOTT ROAD MAIN REPLACEMENT PROJECT

PARADISE IRRIGATION DISTRICT

WWE PROJECT: 20-064

DECEMBER 2024

BID SET

A **mandatory** pre-bid meeting is scheduled between OWNER and interested bidders on **Wednesday, January 15<sup>th</sup> at 11:00 am**. Interested bidders should meet at the Paradise Irrigation District Board Room, located at 6332 Clark Rd, Paradise, CA 95969, at which time the project will be reviewed. It is a mandatory requirement that each prime contractor must have a representative at the pre-bid meeting to be allowed to submit a bid. Potential sub-contractors and suppliers are not required to attend the pre-bid meeting but are encouraged to attend.

The OWNER has made a determination that no substitutions will be considered and that the following listed materials must be furnished if needed, as designated below, in order to match others in use by the OWNER:

- CLOW Valve Company, Fire Hydrant Model 850 – Specification Section 15200
- CLOW Valve Company, Fire Hydrant Model 860 – Specification Section 15200

Bidding Documents include the following:

- Volume 1 – Bidding Requirements and Specifications
- Volume 2 - Drawings

Bidding Documents and addenda may be obtained on the PID website or CIPLIST.com at no charge. Bidding Documents are provided electronically and free of charge. It is the responsibility of each prospective bidder to verify the completeness of their printed Bidding Documents before submitting their Bid and accompanying completed forms. Users are cautioned that OWNER does not assume any liability or responsibility based on any defective or incomplete copying, excerpting, scanning, faxing, downloading, or printing of the Bidding Documents.

The Bidding Documents posted on the PID website shall supersede any information posted or transmitted by CIPLIST.com.

Be advised that the information contained on the PID website or CIPLIST.com may change and without notice to prospective bidders. It is the responsibility of each prospective bidder to check the PID website and/or CIPLIST.com on a daily basis through the close of bids for any applicable addenda or updates. CIPLIST.com sends email notifications to ONLY those registered for the project.

Submit all bidder's questions in writing to [ballen@paradiseirrigation.com](mailto:ballen@paradiseirrigation.com). Last day to submit questions is **January 22, 2025**. All questions will be answered by **January 29, 2025**.

The Work under these Bidding Documents may be funded in whole or part by the EPA's Drinking Water State Revolving Fund Program (DWSRF) which is administered by the California State Water Resources Control Board (SWRCB) Division of Drinking Water's (DDW). The California prevailing rate of per diem wages, holidays, and overtime work for each craft, classification, or type of workmen needed to execute the contract are established by the Department of Industrial Relations and can be found online at [www.dir.ca.gov](http://www.dir.ca.gov). Contractors shall not pay wages less often than once per week. The successful Bidder agrees upon execution of this Agreement to post a copy of the wage rates at the project site.
